

IT IS OUR PLEASURE TO WELCOME YOU TO THE KING'S AFFAIR 2024.

At King's, we like to do things our own way. The King's Affair being the epitome of everything King's represents; inclusivity, creativity and fun. So join us for this one night as we transform the grounds into our own Falselore.

Leave your preconceptions of May Balls at the chapel door and revel in the fancy dress and costume, alternative sounds and artists, and extraordinary decor. Think festival, 'beats not bollingers', and a world turned upside down.
