

KING'S AFFAIR 2024 WOULD NOT HAVE BEEN POSSIBLE
WITHOUT AN ENORMOUS AMOUNT OF HELP.

We would especially like to thank our incredible committee. It has been a pleasure to work with you all for the best part of 2 years and we are so grateful for your commitment, hard work, and resilience.

We also want to highlight the tremendous support we have received from all the staff at King's, this event would not have been possible without their advice and encouragement.

Finally, thank you. Falselore would not have been possible without our ethos of inclusivity and individuality, which you have all helped to champion. We hope King's Affair has provided a much needed night of humour and chaos to your May Week, and we look forward to seeing you all for years to come.

It has been our pleasure.
